PROFESSIONAL EXPERIENCE

VISION AND SOLUTIONS

Digital Marketing Executive | Aug 2025 - Sept 2026

- Drove digital growth and organic search performance, achieving first-page Google rankings for 10+ service-based keywords across SaaS and service-based businesses through keyword research, search intent analysis, technical SEO, and content optimization.
- Increased website impressions by 450% and improved domain authority through SEO-driven content optimization and high-authority link-building strategies.
- Resolved technical SEO issues including indexing errors, crawlability issues, redirect chains, sitemap optimization, and sudden impression drops using Google Search Console, SEMrush, Seobility, and SEOptimer.
- Optimized website performance through schema implementation, image compression, internal linking, and on-page SEO enhancements, achieving 90+ PageSpeed scores across key landing pages.
- Built 100+ high-quality backlinks per month through guest posting, outreach campaigns, niche edits, PR submissions, and article submission across DR 60–90 websites.
- Optimized and managed 3 Google Business Profiles, increasing local search visibility, generating 300+ monthly impressions, and improving call and lead activity through local SEO strategies.
- Developed SEO-focused blog and service page content through keyword research, content planning, strategic internal and external linking, and content optimization to improve organic visibility and keyword rankings.
- Created and managed 5 WordPress websites and 1 custom-coded website while utilizing AI-powered workflows and automation tools including ChatGPT and Claude to streamline SEO research and content optimization.

REGEM ENTERPRISES

SEO Executive Intern | Feb 2025 - July 2025

- Developed SEO-optimized WordPress websites with structured site architecture, metadata optimization, and on-page SEO enhancements to improve search visibility and user experience.
- Conducted keyword research, competitor analysis, and on-page SEO optimization including metadata structuring, internal linking to improve SERP performance and identify organic growth opportunities.
- Built high-quality backlinks through outreach, guest posting, and citation-building strategies to strengthen domain authority and organic visibility across multiple websites.
- Assisted in creating Meta Ads campaigns, social media creatives, and marketing content to support brand visibility, audience engagement, and digital marketing campaigns.

EDUCATION

Master of Computer Applications (MCA)
Guru Gobind Singh Indraprastha University | 2023 - 2025
